

# HOPE

is all you need

Help earth and their friends escape the maze.

Why are there fewer fish for whales to feed on?

---

---

---

What material can you recycle that will help the turtles?

Coral reef produces up to 50% of our oxygen. True or false? Don't forget coral is a sea animal too!

What percentage of the Earth is covered in water?

How can we save manatees from becoming more endangered?

---

---

---

Starfish feed on ocean waste at the bottom of the ocean to help clean it up. True or false?

---
